On 27./28.11.2024, **0 new vacancies were published**.

Practical service for the job search

The job center offers a practical service for all job seekers: the jobNEWS in the JobZENTRALE. You can see at a glance which areas of the job market offer opportunities for the entire region.

Automatically search

JobZENTRALE automatically searches for vacancies throughout the region every day. Training opportunities are also available. In the jobNEWSlocal section, you can find and print a PDF job list for each location.

Content of this edition:

Overview	2
Current jobs	3
Vacancies dynamics	4
Contact	11

Similar job advertisements are grouped together

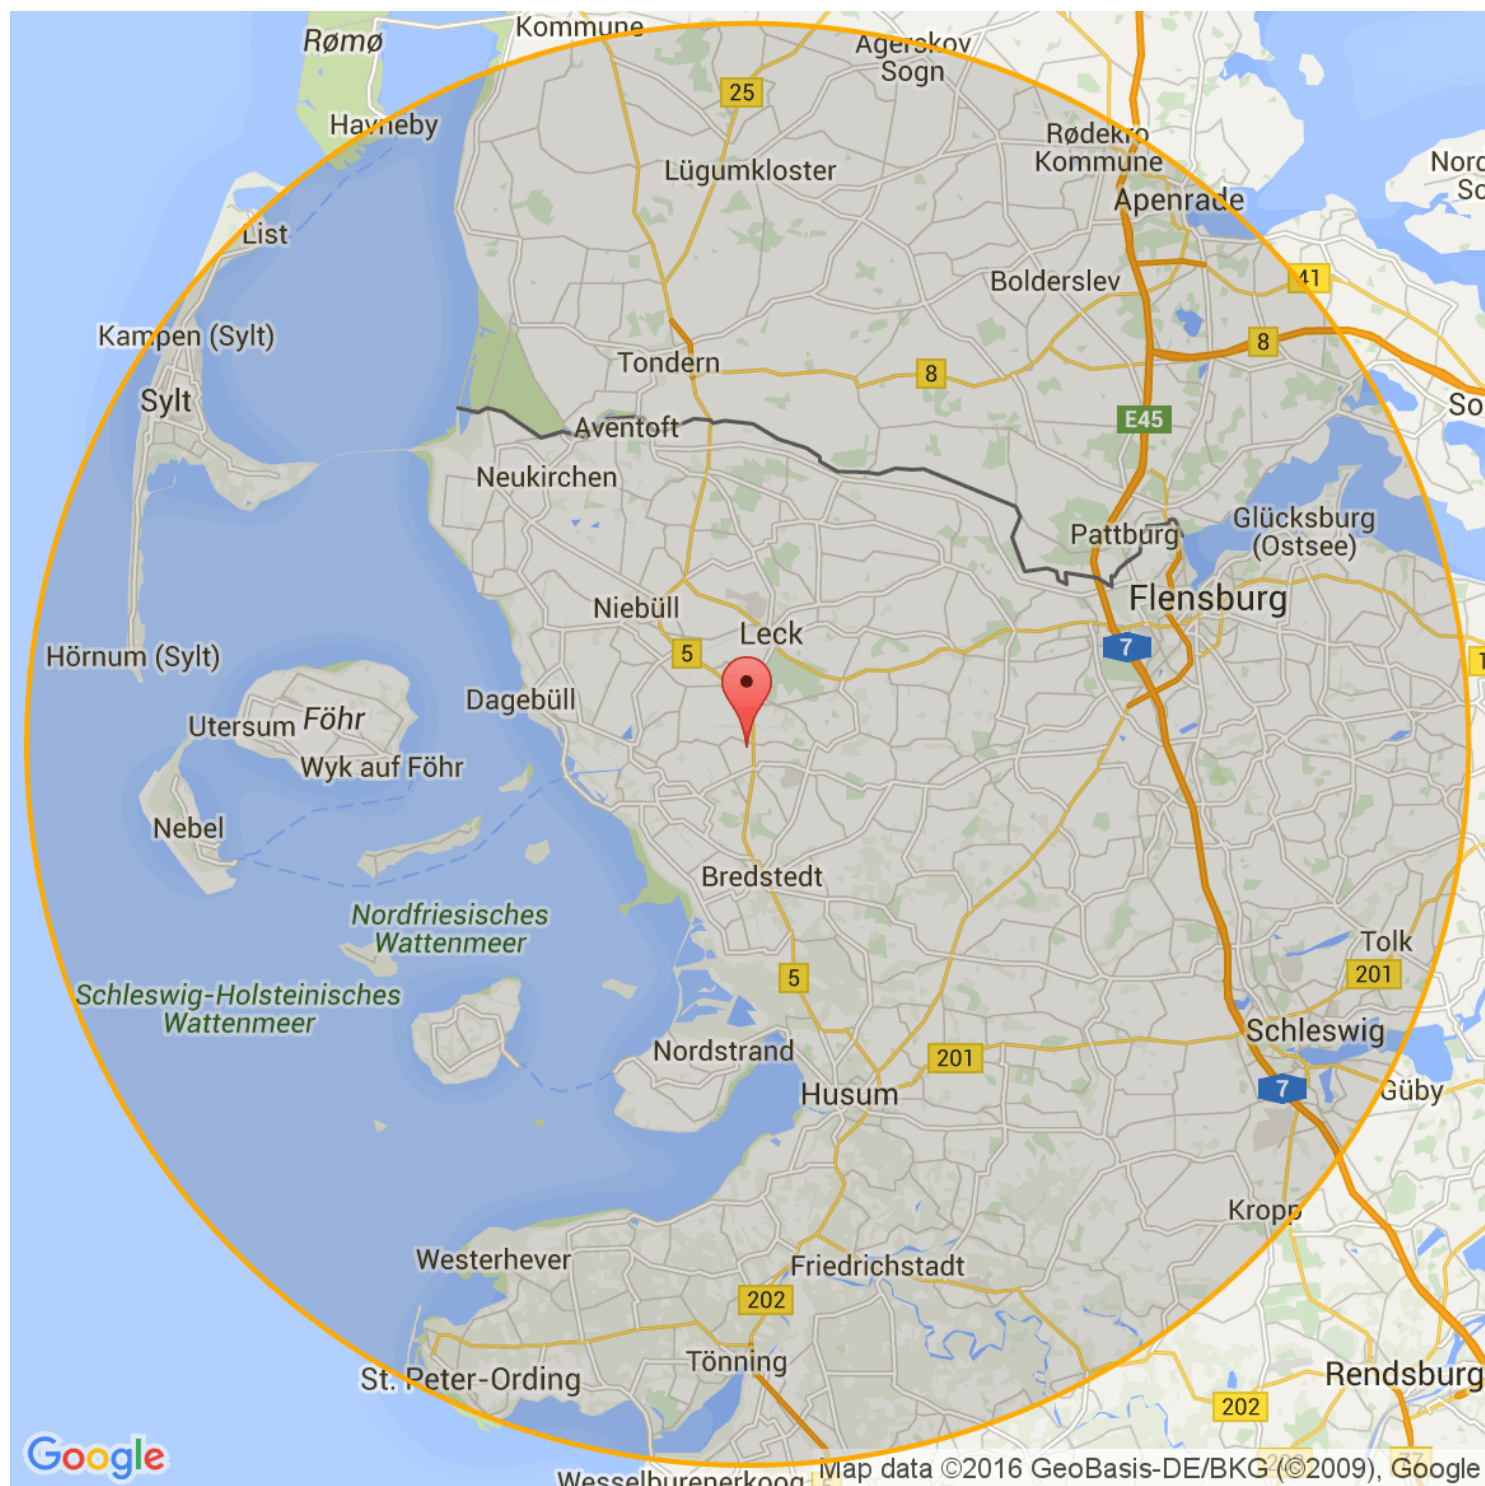

JobZENTRALE offers a special service: similar job ads are grouped into occupational groups. This makes the search much more efficient, as you can directly view all job ads from a similar field. The PDF for each occupational group makes it even easier.

Note on the currentness of the job advertisements

The displayed job advertisements are daily compiled by our online search system specialized in the European job market. If a printed jobNEWS copy is outdated, the job advertisements may be no longer available because they have already expired. In this case, please get your new jobNEWS copy on this page. We cannot guarantee that we have found 100% of all published job advertisements and have published them here. If you think, that we might have missed an important source, please let us know: info@jobnet.ag. Thank you very much.
